- We offer non-profit organizations the opportunity to manager their own event which lets us return these high discounts (25% or greater). We look for parent volunteers to assist our staff with handing out shoes/skates and running the snack bar cash register.
- Optionally we can manage the entire event along with offering games and prizes. This increases the Rollaway cost \$3.00 per person. You will want to adjust the Participant Cost accordingly
- Fund Raiser is responsible for marketing and promotion. We can provide an MS Word flier template via eMail
- Skate and shoe rental included in the participant cost
- We find it is more successful to separate a laser tag game from the admission price and offer it as optional event
- All admissions must buy a wrist band, parents included.
